

To,  
Hiring Team,  
Greetings and  
Namaste,

I am Prakriti Nepal, a Professional having years of work exposure working for INGO, National level NGO, Software Development Organizations and Private Sector touching upon various developmental aspects. I have experience in developing and conducting, managing and coordinating regional, national and international projects with special focus on Marketing and business development. Also, I have worked in various WASH projects.

Throughout my engagement with various organizations, I have performed result oriented works and have supported in growth strategy preparation, planning and implementation. I have been a core Marketing personnel also having project management proficiency.

I have worked touching upon International to grassroots level be it in any organizations I have worked with. I have worked with Donor organizations and Country director and C-Levels as coordination/contact point while at the same time managing projects as well. I have worked with the organization founded by Ex- President of the United States of America Mr William Jefforson Clinton by Coordinating with Program Director in the Washington DC and the board.

I assure you that my experience and expertise will support the organization to create value for the long term. It will be a great opportunity for me to work with Reputed NEWAH.

Looking forward to a fruitful Association.

Sincerely,

Prakriti Nepal (9841551944)
